

# Blizzard

## BLZD

The Blizzard banner stand is a sturdy and durable outdoor sign. It is adjustable in both width and height to allow multiple graphic sizes, and has a large base that can be weighted with either water or sand.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.

### features and benefits:

- Sturdy hardware constructed for outdoor construction use
  - Base can be filled with water or sand
- Adjustable width and height
  - Quick and easy to assemble
  - One year hardware warranty against manufacturer defects

\*For applications below 40 degrees fahrenheit, please use sand in place of water.

#3 grommets in corners

## SETUP

Fill the base with water or sand. 1

Insert the pole into the base. 2

Hook bottom bar to the front of the base. 3

Place hooks located on pole into the top corners of the graphic. 4

Attach graphic to the bottom bar using hooks on each side. 5

Raise bars holding graphic and raise the pole until graphic is taught horizontally. Lock the latch to hold bar in place. 6

Pull out the left end of the bottom bar and lock latch to tighten the graphic vertically. 7
