Banner Assembly

Step by Step

Step 1.

Start by removing the banner from carry bag. Assemble the 3 piece bungee pole.

Step 2.

Next, take the bottom rail of the banner frame and rotate the stabilizing leg in a 90° position.

Step 3.

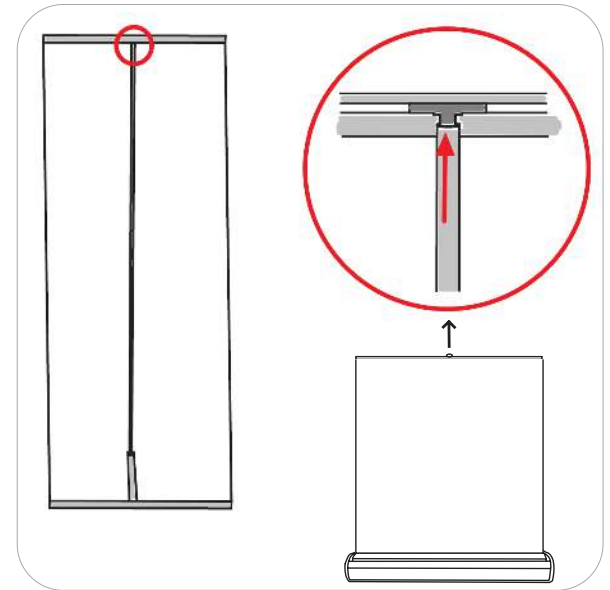

Next, insert the pole into the stabilizing leg.

Step 4.

Next, take the top rail to raise the graphics panel. Attach the top rail to the top of the pole. Do not step on the stabilizing leg when attaching the graphic rail to the top of the pole.

Setup is complete.

Graphic Attachment

Step by Step

Step 1.

Open the top rail graphic bar.

Step 2.

Take the graphic and insert it into the top rail.

Step 3.

Close the top rail to hold the graphic in place.

Repeat steps 1 through 3 for the bottom rail.
