

Portable Popup Bar Large

PBFL301-B

The Portable Popup Bar is a portable, wheeled sampling and serving station perfect for any event. The pre-assembled aluminium frame comes together by unfolding the legs, and inserting the interior shelf panels. Fully-customized graphics and printed top will win visitors over as you provide an effortless serving experience.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.

Large Portable Popup Bar x1

SHELF x4

Kit Assembly

Step by Step

Step 1.

Unfold and lock legs.

Step 2.

Unzip and insert shelves.

Step 3.

Zip door to close or roll up velcro to stay open.

If graphics have been purchased move on to step 4, otherwise Set-up is complete.

Step 4.

Apply graphics by pressing the sides of the graphics onto the counter, making sure the velcro bands are aligned with one another.

Set-up is complete
